

POINT LOMA LITTLE LEAGUE

December 1, 2022

Dear Friends of PLLL,

The success of the Little League experience is made possible by our amazing volunteers and our incredibly generous sponsors. Sponsorship opportunities are now open for the 2023 season with pricing to fit all budgets. If you, a friend, or a neighbor have a company/brand that would like to be promoted - please click or share [THIS LINK](#) to see what opportunities are available

or contact: sponsorship@pointlomalittleleague.com

Little League has an incredibly positive impact on children in our community and we could not do it without the support of families, businesses and organizations like yours. Your support, via sponsorship, will go directly to providing scholarships, offsetting annual costs of uniforms, equipment, league fees, field maintenance, developmental clinics and much more. Now, more than ever, Little League baseball has the capacity to have an even greater impact on kids by getting them outside in a safe and compliant way.

We've made it easier than ever to manage the sponsorship process. Upon selection of the sponsorship level that best fits your needs, you will receive a digital invoice and the ability to pay directly (or send us a check). We'll also reach out to make sure we have all the necessary items to highlight your business (ie. Artwork).

Your support is immeasurable, and we thank you for helping to make our league a magical experience for all involved.

Sincerely,

Lucas Murdock & Melissa Hernholm Danzo
